

2025 Eastern Upper Peninsula Community Resource Guide

Chippewa, Luce, Mackinac, Sault
Ste. Marie Tribe of Chippewa
Indians, Bay Mills Indian Community

This guide is designed to connect individuals and families in Chippewa, Luce, and Mackinac Counties, as well as members of the Bay Mills Indian Community and Sault Ste. Marie Tribe of Chippewa Indians, with essential services and support. Inside, you'll find information on local organizations, tribal programs, and online resources covering healthcare, housing, legal aid, mental health, cultural services, and more. Whether you're seeking in-person assistance or digital support, this guide is here to help you navigate the resources available to our community.

This guide was created by Mashkawizii Child Advocacy Center (MCAC). Located within the Bay Mills Indian Community, MCAC is the first tribally-operated Child Advocacy Center in the state of Michigan. We currently serve Native and non-Native children and vulnerable adult victims of abuse and neglect of Chippewa, Luce, and Mackinac counties. MCAC also offers educational services to the greater community and our agency partners. For more information, check out our website at www.eupcac.org!
